

If you are still interested, we now have the PASRR/LOC training available to work at your own pace. It is available to register on the www.longtermcareohio.com website. I still provide regular assistance as needed. .

The information for all ten lessons is on the page as well as the post test questions for each lesson.

There are a couple of different ways you can get the answers to me. You can print it up and scan/email it to me or you can just email them to me in a format like

Lesson 1

1. True
 2. False
- etc.

Remember, know matter what you decide I am available to answer any questions you might have. If you don't understand some of the material, I am happy to clarify.

Email me anytime,

Dominic

To help you a bit, we highlight a lot of the important information.

The format each week is;

1. An explanation of the topic
2. Scenarios on the topic
3. Q&A on the topic
4. Post Test Questions to review (We are giving you two options on this-see below)

It will be your choice of whether you would like to email the answers back to me in the format of

1. True,
2. False, etc.

Or you can print up the question page and email/scan it to me with the answers.

You can take your time. In fact, in

previous trainings some people waited a few weeks and sent answers to me to 3-4 lessons at one time. I know people are busy so I am very flexible on this.

Also, if you have questions on the material, please feel free to email them to me and I will help out. I usually try to get back to people in the evening, but if I can answer the question during the day, I definitely will do that.

Also, again if you have any questions, please forward them to me at dominicjohnson19@gmail.com
